## **Chilton County's Thorsby Public School Added to Alabama Register**

The Alabama Historical Commission recently listed Thorsby Public School to the Alabama Register of Landmarks and Heritage.

The Alabama Register is an official listing of buildings, sites, structures, objects, and districts. These properties, which may be of national, state, and local significance, are deemed worthy of preservation by the Alabama Historical Commission.

Located on Illinois Avenue, Thorsby Public School is listed in the Alabama Register for its educational history and architectural significance. Constructed in 1925 with local funds, the school is an irreplaceable reminder of the importance that Thorsby has placed on education during the last one hundred years. The nomination was submitted by members of the Thorsby Historic Preservation Committee who are working diligently to identify, register, and preserve Thorsby's historic resources.

Listing to the Alabama Register is an honorary designation and carries no restrictions or financial incentives.

*To protect, preserve, and interpret Alabama's historic places is the mission of the Alabama Historical Commission, Alabama's state agency for historic preservation.*
