## **MARSHALL COUNTY'S BODINE CEMETERY ADDED TO ALABAMA HISTORIC CEMETERY REGISTER**

The Alabama Historical Commission (AHC) recently added Bodine Cemetery to the Alabama Historic Cemetery Register.

"The cemetery register is a prestigious listing of historic cemeteries in Alabama," said Lee Anne Wofford, cemetery program coordinator. "The AHC considers the notable historic cemeteries in this register to be particularly worthy of preservation and appreciation, and therefore deserving of this special recognition."

There are now three cemeteries in Marshall County listed on the Alabama Historic Cemetery Register, which features 351 cemeteries statewide.

Bodine Cemetery has exclusively served the extended Bodine family from the time they arrived in Brown's Valley beginning around 1830. It is a small cemetery occupying less than an acre of pastoral hillside near Guntersville. In addition to the Bodine name, others family names include Burk, Colbert, Copeland, Cosby, Cox, Deerman, Kirkland, Lee, McCollum, McWhorter, and Moon.

The Alabama Historical Commission administers the Alabama Historic Cemetery Program that gives aid to the general public, government officials, civic groups, and others in identifying, documenting, registering, and conserving Alabama's historic cemeteries.

The Alabama Historic Cemetery Register officially recognizes and honors family and community cemeteries that were established at least 40 years ago.

Listing in the state cemetery register is an honorary designation imposing no restrictions on property owners. State law protects all cemeteries from willful desecration and destruction.

*To protect, preserve, and interpret Alabama's historic places is the mission of the **Alabama Historical Commission**, the **State Historic Preservation Office**.*
