LIMESTONE COUNTY'S NEW HOPE CEMETERY #2 ADDED TO ALABAMA HISTORIC CEMETERY REGISTER

The Alabama Historical Commission (AHC) recently added New Hope Cemetery #2 to the Alabama Historic Cemetery Register.

“The cemetery register is a prestigious listing of historic cemeteries in Alabama,” said Lee Anne Wofford, cemetery program coordinator. “The AHC considers the notable historic cemeteries in this register to be particularly worthy of preservation and appreciation, and therefore deserving of this special recognition.”

There are now two cemeteries in Limestone County listed on the Alabama Historic Cemetery Register, which features 352 cemeteries statewide.

New Hope Cemetery #2 is a historic African-American cemetery that contains approximately 72 marked and an undetermined number of unmarked graves. The cemetery was established by the Cumberland Presbyterian Church in New Hope. The first marked burial dates to 1908. Several veterans of World War I and II are buried here.

The Alabama Historical Commission administers the Alabama Historic Cemetery Program that gives aid to the general public, government officials, civic groups, and others in identifying, documenting, registering, and conserving Alabama's historic cemeteries.

The Alabama Historic Cemetery Register officially recognizes and honors family and community cemeteries that were established at least 40 years ago.

Listing in the state cemetery register is an honorary designation imposing no restrictions on property owners. State law protects all cemeteries from willful desecration and destruction.
