or call 251-431-6445

The AHC encourages the public to attend this forum to discuss the future of the Middle Bay Lighthouse and learn more about its condition. The AHC owns the lighthouse and is examining a proposal to move the lighthouse ashore to Battleship Memorial Park. The Historic Sites Committee will not make any decisions at this meeting concerning the lighthouse, but the AHC will consider all comments at this meeting in future decisions it makes about the lighthouse.

If you are unable to attend the forum, please e-mail your comments to Mark Driscoll, Historic Sites Division Director: [Mark.Driscoll@preserveala.org](mailto:Mark.Driscoll@preserveala.org).
